**FOR IMMEDIATE RELEASE:**

**TIM GREEN TO RETIRE AT THE END OF 2017**

FORMER A.C.T. GENERAL MANAGER AND CURRENT RANGE CHIEF TECHNICAL OFFICER  
RETIRING AFTER 37 YEARS

SHERIDAN, WY (January 2, 2018) – Tim Green has officially announced his retirement from the Range Family of Companies effective December 31, 2017. Mr. Green helped incorporate Advanced Communications Technology (ACT) and was responsible for making ACT's headquarters Sheridan, WY. He served as general manager from 2001 to 2008. Mr. Green got his start with the Range Telephone Cooperative construction crew and served in several other capacities, including chief technical officer of the Range Family of Companies, and plant manager and engineering manager of RT Communications. We are indebted to Mr. Green's leadership, vision and commitment for propelling us to our present position locally and nationally. Mr. Green's retirement is our loss, but a well-deserved respite for him. On behalf of everyone at ACT, I would like to wish Tim the best of luck in all future endeavors.
